

Jake Zimmerman, IDF Soldier

Keep A Soldier Warm

Shalom Everyone,

One of our very own young congregants is currently serving as a lone soldier (a soldier without immediate family living in the country) in the Israel Defense Forces (IDF). His name is Jake Zimmerman and he is a homegrown Congregation Beth Israel kid. The Zimmerman family has been members of the synagogue for almost 20 years and Jake has been a consistent participant in all of our youth programs – he became bar mitzvah here, was confirmed here, and attended the Big Trip Israel (Camp Daisy and Harry Stein's Israel pilgrimage for ingoing 11th graders). Jake is truly a product of this historic and holy congregation. He felt such a deep connection with the Jewish people and the people of Israel that he chose to serve as a soldier in our homeland.

As the winter months approach, Jake and his brigade need our support...here is a letter from Jake:

"Shalom everyone! My name is Jake Zimmerman, and I am currently serving as a lone soldier in the IDF in the Nahal infantry brigade, battalion 931. I graduated from Pinnacle High School in 2013, and decided to move to Israel a few months afterwards. The decision was not easy, but I felt obligated to serve our home land. I made Aliyah not only to join the IDF, but also to become integrated into Israeli society, learn Hebrew, and to explore my Jewish roots. My platoon is currently stationed in Ramat HaGolan (Golan Heights) on the Syrian border. We will have a very difficult and hard winter coming up, and I am asking for even the smallest of donations for winter gear to help make the next few months a little bit easier for me and my comrades. (And yes, Israel can get quite cold in the winter, especially up north). Any help will be greatly appreciated!"

-Jake Zimmerman

NFTY-EIE High School in Israel

The High Holy Days are the most spiritual times of the year. To be in Israel is even more incredible. Give your high school student the opportunity to experience them next Fall in Israel on NFTY-EIE High School in Israel. Based at Kibbutz Tzuba, located 15 minutes outside of Jerusalem, students take Jewish History, Hebrew, and their regular general studies courses to fulfill the requirements of their home high schools.

Students take field trips to visit the actual site they are learning about in their Jewish history class. There are numerous week-long trips throughout the semester, including a trip to Poland to study the Holocaust, a week in Gadna (a simulated Israeli army training experience), and a hike across the country from the Sea of Galilee (Kinneret) to the Mediterranean Sea.

For more information about NFTY-EIE, please visit www.nftyeie.org.
