

Welcome to Camp Chanen's Summer of Fun in the Sun!

Camp Chanen offers a fun-filled summer of adventures for campers aged 6 weeks through entering 1st Grade. Students are sure to love weekly water play, special visitors, and immersive experiences. There are surprises around every corner to delight and amaze your camper's imagination.

Camp Chanen utilizes the entire CBI campus. Camp is held in the Chanen Preschool building and the ballroom is transformed into an Indoor Playground creating an escape from the heat. Along with time spent on the Splash Pad and in our ample classroom space, Camp Chanen is a wonderful day camp experience for all ages!
